Prime Ijarah Target Market Determination

If you require a previous version of a TMD please contact us at enquiries@amanah.com.au providing the product name and time period in your request

1. About this document

This Target Market Determination (TMD) provides information about the target market for the Prime Ijarah Finance product. It outlines the likely objectives, financial situation and needs of the target market as well as the key attributes of the product.

This document is not to be treated as a full summary of the product's terms and conditions and is not intended to provide financial advice.

Refer to the product terms and conditions detailed below when making a decision about this product:

- Pepper Ijarah Finance General Terms & Conditions
- Pepper Money Ijarah Finance Agreement
- Mortgage Common Provisions

Target market determination date

07 January 2025

2. Product

Prime Ijarah Finance

3. Description of target market, including likely objectives, financial situation and needs

The features of this product, including its key attributes, have been assessed as meeting the likely objectives, financial situation and needs of consumers who:

- Satisfy our eligibility criteria, including (but not limited to):
 - Must be 18 years or older at the time of application.
 - Must be a resident of Australia.
 - Be able to demonstrate their capacity to repay the finance agreement over a sustained period of time.
 - Must have a good credit history, minor defaults may be considered.
- Require finance:
 - To purchase or refinance residential property for owner occupied or investment purposes
 - To access equity in residential property
 - That is Shariah compliant.

Some product features may alter the target market. See below for details.

Key product features and attributes

This product has the following features and attributes:

- Variable and fixed rate options.
- Part fixed rate, part variable rate split options available.
- Principal and Rental and Rental Only instalment options, rental only for up to 5 years.
- 100% rental offset sub-account available on a variable rate finance agreement.
- Maximum loan to value ratio (LVR).
- Maximum finance amount A\$2,500,000, minimum finance amount A\$100,000.
- Maximum term 40 years, minimum term 10 years.
- Instalments available monthly, fortnightly and weekly.
- Ability to redraw additional instalments made on a variable rate finance agreement.

Pricing for risk:

- If a finance agreement is approved, the rate offered and fees and charges will depend on our assessment of a number of factors at the time of application including the consumer's credit history, income and financial position, the LVR, the term and the nature of the security property. A risk loading may apply.

Fees and charges include:

- Establishment fee
- Monthly account keeping fee
- Legal fee
- Discharge fee
- Lender Protection fee

Other fees and charges may apply, as set out in the finance agreement.

Sub target market for consumers with 100% rental offset sub-account feature

This feature is likely to be appropriate for consumers within the target market who:

- Have surplus cash and want to use this to reduce the rental payable on their finance agreement while retaining access to their money.

The offset sub-account feature is not available with a fixed rate finance agreement.

Sub target market for consumers with a variable rate finance agreement

This feature is likely to be appropriate for consumers within the target market who:

- Have surplus cash and want to use this to reduce the rental payable on their finance agreement while retaining access to their money.

The offset sub-account feature is not available with a fixed rate finance agreement.

Sub target market for consumers with a variable rate finance agreement

This feature is likely to be appropriate for consumers within the target market who:

- Will benefit from the additional features available with a variable rate finance agreement who understand and are able to manage instalments which can change at any time.
- Are likely to have the ability to make extra instalments, at any time, up to the outstanding finance amount.

Consumers can choose to have a split finance agreement with a variable rate and fixed rate portion providing instalments certainty in relation to the fixed rate portion and the ability to have an offset sub-account and redraw facility available on the variable rate portion.

Sub target market for consumers with a fixed rate finance agreement

This feature is likely to be appropriate for consumers within the target market who:

- Require the certainty of a fixed rate and fixed instalments for a fixed period up to 10 years, understanding that they will not benefit from rate decreases during the fixed rate period.
- Will not need access to any additional instalments made to their finance agreement during the fixed rate period.
- Benefit from having the instalments certainty offered by a fixed rate even though any additional instalments made during the fixed rate period cannot be accessed.
- May need to break their fixed rate finance agreement prior to the end of the fixed rate period and will benefit from a product which does not charge break costs.
- May want to have a rental only period during the fixed rate period.

¹ The maximum term, finance amount, fees and charges will vary depending on the consumer's circumstances, including the method of income validation and credit history. E.g., discharged bankrupt or defaults. Refer to the key product attributes to ensure that the available product options meet the consumer's likely objectives,

Consumers can choose to have a split option with a variable rate and fixed rate portion providing instalment certainty in relation to the fixed rate portion and the ability to have an offset sub-account and redraw facility available on the variable rate portion

Consumers have the option to lock in a fixed rate at application stage (fees apply).

Sub target market for consumers with Principal and Rental instalment

This feature is likely to be appropriate for consumers within the target market who:

- Want to pay down their outstanding balance on a regular basis in addition to their principal and rental instalments, to save on rental over the finance term and build equity in the property.

Sub target market for consumers with a rental only instalment

This feature is likely to be appropriate for consumers within the target market who:

- Will benefit from the ability to pay rental only on the outstanding balance for the duration of the rental only period.
- Understand that they may pay more rent over the life of the finance agreement as not paying down principal during the rental only period.

Rental Only is available for a maximum period of 5 years, after which instalments will revert to Principal and Rental.

Purchase or refinance of an owner-occupied residential property¹

This product allows consumers to finance the purchase or refinance of an owner-occupied residential property and make principal and rental instalments in order to reduce the balance of the finance agreement and build equity in the property.

Purchase or refinance of an investment residential property¹

This product allows consumers to finance the purchase or refinance of an investment residential property with the ability to select principal and rental instalments to reduce the balance of the finance agreement and build equity or rental only instalments for a maximum of 5 years.

Access equity¹

This product allows consumers to access part of the equity in their owner occupied or investment residential property to use the funds for an acceptable purpose in accordance with our finance criteria.

Acceptable purposes include purchasing another property, home improvement, debt consolidation or investment.

Consumers for whom this product may not be appropriate

This product may not be appropriate for individuals who:

- Do not meet the Prime target market criteria.
- Do not require a Shariah compliant finance.
- Need to borrow greater than 95% of the value of the property.
- Require a finance term greater than 40 years.
- Are borrowing to construct a dwelling.
- Do not have ongoing income and/or employment.
- Cannot demonstrate their capacity to repay the finance over a sustained period.
- Require a line of credit facility.

Pepper may also exclude consumers based on factors including, but not limited to, purpose of the finance.

¹ The maximum term, finance amount, fees and charges and will vary depending on the consumer's circumstances, including the method of income validation and credit history. E.g., discharged bankrupt or defaults. Refer to the key product attributes to ensure that the available product options meet the consumer's likely objectives,

4. How this product is to be distributed

Distribution channels and conditions

This product is designed to be distributed through the following channels:

- Pepper Money accredited and licensed mortgage brokers subject to Best Interests Duty and Licensed Intermediaries (**Third Party Channel**)

The distribution channels are appropriate because:

- The product has a wide target market.
- Pepper Money’s Third-Party Channel consists of accredited mortgage brokers that are subject to a higher duty under Best Interests Duties to ensure that the product is in the best interests of the particular consumer.
- Pepper Money’s application and approval process has controls in place to ensure all approved consumers meet our eligibility and lending requirements.
- Pepper Money conduct adequate training, upfront and ongoing due diligence and monitoring of distributors including the ongoing provision of information to these distributors.

5. Reviewing this target market determination

Pepper Money will review this TMD in accordance with the following:

Review periods	First review date: within twelve months of the effective date. Periodic reviews: every twelve months after the initial review and each subsequent review.
Review triggers:	This TMD will be reviewed if any of the events should occur: <ul style="list-style-type: none">• There is a material change to the product including to the fees or the terms and conditions of the product, except where the TMD has already been reviewed in relation to that change;• There is a material change in the regulatory requirements in relation to the product, except where the TMD has already been reviewed in relation to that change• A significant dealing of the product to consumers outside the target market occurs;• External events such as adverse media coverage or regulatory attention suggest that the target market for the product might not be appropriate;• There is a material, unexpected increase in complaints, declined applications, clients in default or hardship when measured against approved metrics, determined by reference to our Design and Distributions Obligations (DDO Policy); or• We receive correspondence from a regulator, including a regulatory order or direction (including the use by ASIC of its Product Intervention Powers) that expressly states or directly implies that this TMD is no longer appropriate

Where a review trigger has occurred, this TMD will be reviewed within 10 business days.

¹ The maximum term, finance amount, fees and charges and will vary depending on the consumer’s circumstances, including the method of income validation and credit history. E.g., discharged bankrupt or defaults. Refer to the key product attributes to ensure that the available product options meet the consumer’s likely objectives,
